Awsomeness!

frame11

- some stuff
- to tell
- in list elements

frame12

- what do you know!
- nice or what?

Clojure

- code clojure

  ```
  (fact (+ 1 1) => 2)
  ```

- *Midje*, unit testing fwk is pretty awesome!

Emacs

- It's pretty cool too!

Org-mode with beamer

- rocks as we can present
- in columns

- and as always

- include images
